Robert & Maria Sorber
As Clean As A Whistle

Dear Robert & Maria,

Too often clients let a service provider know when they are dissatisfied, but don't find the time to comment when they are pleased.

I just wanted to let you know that in my view the cleaning services your company provides are first rate.

Our premises, consisting of the two blocks, are large and by the end of the week, with all the comings and goings, need serious cleaning. Your team of ladies does an exemplary job each week. They arrive promptly and are cheerful, quick, efficient and thorough.

The periodic feedback you request from us so that you can keep up your standards and address anything that we may still need or not be happy about has been appreciated. I don't think we have ever had any issues!

Over the years, I have managed several offices. Your cleaning services are the best I have come across.

Well done, and thank you!

Kind regards
